

## ServiceKey is a finalist for Gwinnett Chamber's IMPACT Regional Business Awards

Gwinnett County (METRO ATLANTA) GA – ServiceKey has been recognized as one of the leading organizations in metro Atlanta as a finalist for the 2016 IMPACT Regional Business Award, presented by [BB&T](#).

The [Gwinnett Chamber](#) will honor exemplary organizations located in Gwinnett and across the metro Atlanta area at the [IMPACT Regional Business Awards](#), which will be held from 11:30 a.m. to 1:30 p.m. Wednesday, May 18 at the [Infinite Energy Forum](#).

“ServiceKey is honored to be recognized by our community as a finalist for the IMPACT Regional Business Award. We strive to give unparalleled commitment to our customers while delivering the highest innovation in our field. ServiceKey is an award-winning managed IT services organization with 14 years of experience helping local businesses enhance their IT environments. When it comes to your network, security and IT infrastructure, having one of the top managed IT service companies take care of everything 24/7 alleviates worries and lets you focus on what you do best - running your business. When working with ServiceKey, you have access to highly-experienced and talented staff that supports you in implementing the latest information technology solutions. We work conscientiously to understand both systems and business processes so that we can assure a stable environment that is optimized for performance.”

Award recognition will be made in the following areas:

- Builder
- Education
- Healthcare
- Hospitality
- Information Technology
- International
- Nonprofit
- Service
- Small Business

An overall IMPACT Regional Business Awards recipient will be selected from one of the above category winners.

“The IMPACT Regional Business Awards recognize premier organizations in critical industries that are driving economic development and job creation, while enhancing our quality of life,” said Dr. Dan Kaufman, President & CEO of the Gwinnett Chamber. “In 2015, we launched this pivotal program and received a great response with nearly 500 nominations. Bringing together leaders across these important industries is another example of how the Gwinnett Chamber can fulfill its mission to serve as a community forum.”
